EFFECTIVE JUNE, 2024

Free freight on all orders.

MINIMUM ORDERS

No minimum order requirement, however, all orders must be placed in full carton quantities.

Special routing request fees for LTL (Accessorial Charges):

- Call before Delivery – Included. Please specify at order entry.
- Lift Gate Assistance – \$125 for orders requiring a lift gate (no loading dock).
- Inside Delivery – \$50 for delivery to threshold only of first door.
 - Does not include put in place, un-carton, assembly, or trash removal.
 - Local restrictions may apply.
- Additional redelivery or storage charges may apply if special routing requests are not specified ahead of time and additional trips are required.
- Contact Customer Service at info@onsemblesolutions.com for a quote on Expedited Service (guaranteed date and time of delivery), or larger volume orders or special services requested over 2,000 lbs. Onsemble is not responsible for issues or costs arising from carrier transit delays, missed delivery appointments, etc.

Freight Damage

All shipments must be carefully inspected upon receipt by the assigned freight forwarder to ensure all items are in satisfactory condition before signing the bill of lading. If there is visible damage or shortage, it must be noted on the bill of lading. If not noted, we will be unable to file a claim with the carrier due to their policies. Visible damage or shortage must be reported within 24 hours of receipt of goods by the freight forwarder.

ORDERING INSTRUCTIONS

For inquiries regarding the specification of COM materials applied to Onsemble made to order seating solutions, contact (info@onsemblesolutions.com).

Step 1: Retrieve the necessary Onsemble made-to-order seating COM form found on page 6.

Step 2: Along with a copy of the COM form, send a 12"x12" material sample to:

909 4th St.

Milford IA, 51351.

Attention COM Receiving

Please include the model number and quantity of products required. This will allow for accurate yardage estimates.

Step 3: Upon approval of the material, please order the appropriate yardage and ship to:

909 4th St.

Milford IA, 51351.

Attention COM Receiving

Ensure the Onsemble purchase order number is included with the ship to address.

Step 4: Purchase orders will be acknowledged with production ship date.

THINGS TO KNOW

- All COM fabrics and vinyls must be approved by Onsemble and will not be scheduled for production until the entire yardage/square footage requirements have been received within the manufacturing facility.
- The COM approval process requires two business days to evaluate and process the 12"x12" material sample.
- Onsemble will not return excessive material. After 60 days from when the production order ships, any excess material will be recycled as part of our continued commitment to protecting the environment.
- Yardage requirements may vary based on several factors including:
Applied fabric direction, size, and geometry of the Onsemble product, and scale or print pattern. Yardage requirements will be conveyed to you upon approval of the 12"x12" sample. It is important to provide the product model number and units within the COM submission form. Yardage calculations are based on 54" wide materials.
- There are no minimum product unit requirements or pricing upcharges. Production lead-times vary by product. Standard warranty provisions apply.

For customers requiring a specific laminate for tables, we offer open line laminate options.

ORDERING INSTRUCTIONS

- Step 1:** Retrieve the necessary OLL form for specifying and placing orders from the next page.
- Step 2:** Complete the form with as much detail as possible and submit it to info@onsemblesolutions.com.
- Step 3:** We will review your submission within 5 business days and respond promptly with final list pricing.
- Step 4:** Purchase orders will be acknowledged and the production ship date will be provided.

THINGS TO KNOW

- Open line laminate lead times typically range from 6-8 weeks, contingent on the HPL manufacturer and laminate availability.
- Onsemble will procure the specified and approved laminate in the required quantity of sheets to fulfill your project requirements.
- Due to standard laminate sheet sizes, laminates will be applied in a horizontal orientation unless otherwise specified.
- A \$75 net per table upcharge applies to Onsemble open line laminates.
- For open line laminate upcharges for 20 tables or more, and HPL laminates with special finishes or coatings, please contact specials@onsemblesolutions.com.
- If you have any inquiries regarding special open line laminates, please email info@onsemblesolutions.com.

ADDITIONAL PROJECT NOTES

--

1. Due to standard laminate sheet sizes, laminates will need to be applied in a horizontal orientation unless specified.
2. Onsemble open line laminates have a \$75 net per table up-charge.
3. Email specials@onsemblesolutions.com for open line laminate up-charges for 20 tables or more, and HPL laminates with special finishes.
4. For any questions about this form email info@onsemblesolutions.com.

Our warranty pledges excellence in the quality of our products. It helps protect our customer's investments and extends our continuing dedication to our customers after their initial investment.

LIMITED LIFETIME WARRANTY

Onsemble® warranty obligation: We pledge to repair or replace, at Onsemble's option, any Onsemble product or component that is defective in material or workmanship for as long as you, the original purchaser, own it. This warranty is subject to the provisions below.

LIABILITY LIMITATIONS

The following listed parts, components and supplies are covered under warranty in accordance with the below schedule following the product purchase date.

Ten Years: Seating controls and cylinders.

Five Years: Glides, casters, polymer-based components, seating upholstery (fabrics and leather), foam, armrests, chrome seating components, user-adjustable work surface mechanisms, laminates and other covering materials, drawer glides, electrical components, cabinets or mobile systems, components that are either moving parts or controls (guides that are in contact with moving parts).

Three Years: Outdoor Products, electrical components and Dry Erase Surfaces.

WARRANTY SUBJECT TO EXCLUSIONS

Exclusions pertaining to this warranty are as follows but are not limited to:

- Normal wear and tear
- Product or product components utilized with the intent to rent or lease
- Freight damages: Onsemble is not liable for any product damages sustained during shipping or handling operations. Onsemble provides specific policies and requirements regarding shipping and handling, and reserves the right to review and address product distribution matters separately.
- Product negligence: A product is not considered defective due to misuse or improper installation. Onsemble products must be installed, used and maintained
- in accordance with product instructions and warnings.
- Alterations or attachments to the product that were not approved by Onsemble
- All COM Fabric is not covered under this warranty
- All corrugated products or components
- Use of non-multiple shift products for multiple shifts
- Products purchased through a discontinued products promotion/liquidation

Onsemble's warranty obligation is limited to normal use upon receipt of our products.

SEATING USAGE

Normal commercial usage for seating is defined as the equivalent of a single shift, forty (40) hour work week. To the extent that a seating product is used in a manner exceeding this, the applicable warranty period will be reduced in a pro-rata manner.

WARRANTY PROCEDURES

Please follow the warranty procedures described below:

1. Once a defect has been discovered, the original purchaser must contact Onsemble® immediately (within 30 days of defect detection), in writing, with the serial number(s) (if applicable), date code and model number from the product(s) in question.
2. Upon inspection of the product(s), Onsemble® will collect all relevant information necessary for review of the request.
3. Product replacement and replacement parts will be authorized by a Customer Care representative if acknowledged to be necessary under product warranty eligibility conditions.

SPECIFIC LIMITATIONS REGARDING COLOR VARIATIONS, FABRICS AND FINISHES

Natural products have varying grains and colors. Due to such natural variations occurring in materials such as wood and leather, these characteristics are not considered defects. Onsemble does not warrant the color-fastness or matching of colors, grains or textures of such materials. Materials supplied, selected or provided by the customer (COM) are not warranted.

Buyer is responsible for freight to and from factory on all warranty claims. Any description of the goods sold hereunder, including any reference to Buyer's specifications and any description in catalogs, circulars and other written or digital material published by Onsemble is for the sole purpose of identifying goods and shall not create an express or implied warranty that the goods shall conform to such description.

THERE ARE NO OTHER WARRANTIES, AND Onsemble DISCLAIMS ALL IMPLIED WARRANTIES INCLUDING WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE AND FREEDOM FROM PATENT INFRINGEMENT. NO AGENT, EMPLOYEE OR REPRESENTATIVE OF Onsemble HAS ANY AUTHORITY TO BIND Onsemble TO ANY AFFIRMATION, REPRESENTATION OR WARRANTY EXCEPT AS STATED HEREIN.

Onsemble SHALL HAVE NO LIABILITY FOR INDIRECT, INCIDENTAL, CONSEQUENTIAL OR SPECIAL DAMAGES OF ANY KIND. THESE LIMITATIONS ARE AGREED ALLOCATIONS OF RISK. UNDER NO CIRCUMSTANCES SHALL Onsemble's LIABILITY WITH REGARD TO THE SALE OR USE OF THE PRODUCTS EXCEED THE PURCHASE PRICE PAID BY THE BUYER FOR THE PRODUCTS. TERMS AND CONDITIONS OF THIS WARRANTY ARE SUBJECT TO CHANGE WITHOUT NOTICE.

Note: Onsemble® does not require the customer to fill out a warranty registration card. Please keep all purchase documents for the product in event the warranty is needed. Contact our Customer Care team for any warranty assistance at info@onsembleproducts.com or (877) 835-2935.

STATEMENT OF QUALITY

At Onsemble®, we understand that quality extends beyond simple function, and we are committed to the highest level of satisfaction in the manufacture, sale, and support of our products. From concept to delivery, we integrate high levels of quality as our standard and work hard to impress our customers every day. We strive for continuous improvements in all areas of product and service by regarding our quality programs as an integral part of the company's improvement process. Onsemble's quality program works to provide products that meet or exceed the quality standards our customers expect. We aim to set high environmental and safety standards by offering a large collection of third-party tested products that meet standards set forth by BIFMA, UL, the State of California, and others.

PROP 65 WARNINGS

Products with this icon  are subject to California Proposition 65. Please visit the product detail page on our website for specific information.

ENVIRONMENTAL COMMITMENTS

Onsemble not only holds itself to strict environmental standards, but we also require suppliers to follow these standards as a total supply chain initiative. Suppliers play an important role in our longstanding commitment to perform operations in a manner consistent with sound health, safety, and environmental management practices. Because of this, suppliers are not only expected to comply with applicable health, safety and environmental laws and regulations, they are expected to seek continuous improvement within these realms.

Onsemble continues to become an environmentally conscious company with the intention to offer more products that our customers can feel good about, and responsible practices that encourage sustainability, helping us obtain a proud standing in our community and the planet.

OPERATIONS

Onsemble advocates continuous improvement in the realms of efficient recycling and/or disposal of waste materials and improving treatment and control of waste emissions affecting air, water, and soil. We also encourage the practice of waste reduction operations such as machine efficiency, raw material utilization, conservation of soil, air, water quality, biodiversity, wildlife and aquatic habitats, the practice of sustainable forest management policies where applicable, end-of-life treatment recommendations, raw material and recycled content regulation, and legal compliance with environmental legislation.

DESIGN

We reserve the right to make changes in design and material, as well as discontinuance of parts and units, when such action is deemed to be an improvement in design, function and/or construction.

THE FOLLOWING ICONS ARE USED THROUGHOUT THIS PUBLICATION:

Shippable by
Small Package Carrier

PROP 65 Warning

Meets ANSI/BIFMA
Standards

Made in USA

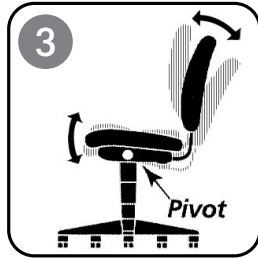

Seat Height Adjustment

Quick and easy adjustment regulates height of chair relative to the floor.

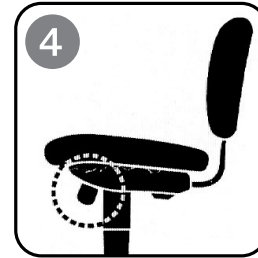

Seat Glide Mechanism

Seat cushion travels forward and back, then locks into position.

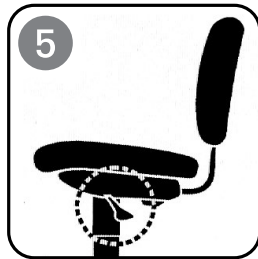

Weight Sensitive Mechanism

Adjusts seat and back angles by sensing the user's body weight and reclines accordingly.

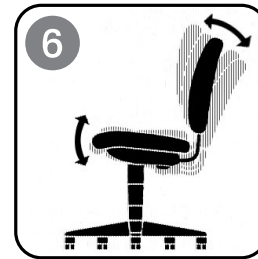

Tilt Tension

Controls rate and ease with which chair reclines to different weight and strength of users.

Tilt Lock

Locks tilt function when chair is in upright position.

Asynchronous Control

Three levers modify:

1. Angle of back relative to seat
2. Tilt (free float or infinite locking within a fixed range)
3. Forward tilt (for keyboard intensive applications)

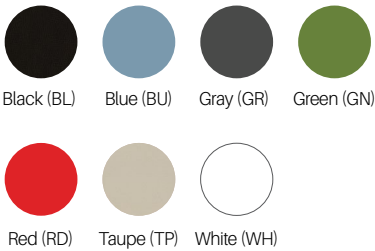

Integral Lumbar Support

Easily adjust to enhance comfort.

There are many features to consider when selecting the perfect chair to suit your needs. The following symbols will help you choose the features that are right for you. These symbols are used throughout this pricer to help quickly identify each chair's features. The descriptions of the features shown are meant to be general explanations. The actual functions of the features may vary slightly between chair series.

Introducing Modix, the innovative solution designed to revolutionize traditional panel and desking systems. Modix seamlessly bridges the gap between technical workstations and front office environments, offering a versatile platform that evolves to meet a variety of needs. Its flexible and adaptive design allows for the creation of customizable, attractive workstations that cater to diverse requirements. Featuring a range of relevant material options and practical features, Modix is the standout choice perfectly designed to meet the evolving needs of modern workspaces.

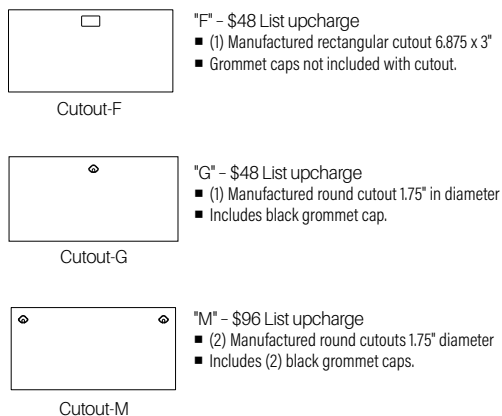

Laminate + Matching Edge Color Option

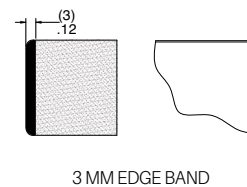

Powder Coat

Cutout Options

Laminate Edge Type

Note: All non-standard cutouts (other than above) will be reviewed to determine if the cutout does not interfere with the base, degrade table strength or cause imbalance. Contact specials@onsemblesolutions.com for quote request and drawing sign-off will be required before order is processed.

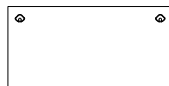

Modix Desks Features

Desks have 14" of travel range measuring 26" to 40"H from floor to the top of the work surface. Adjusts in 1" increments with threaded fasteners. Desks come standard with black hardware and black leveling glides; Optional caster kits are available for an additional \$384 list, featuring a set of 4 casters (Item CASKIT4). Casters will add 4" to overall desk height. Desks ship knocked down.

- Standard work surface options include:
HPL (High Pressure Laminate 1.125" thick) with 3mm edge band
- Grommet cutouts are available at an upcharge.
- Additional colors and work surface materials are available - upcharges, minimums and extended lead times may apply. Email specials@onsemblesolutions.com for quotation.
- Integrated cable management trough at the rear of each desk ensures that cords are neatly concealed and organized.
- The trough comes standard in a sleek black finish.

Modix Upper Frame Features

The upper frame design provides convenient support for hanging accessories above the work surface. Securely attached to the desk base, the fixed-height frame adjusts seamlessly with the desk, ensuring your essentials are always within reach.

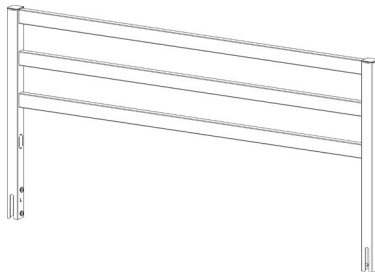

- Each upper frame includes one stationary top bar and two configurable mounting bars, providing ample support for shelves, storage, and other accessories
- Upper frames are specifically designed to attach to Modix desks, with widths that correspond to the desk widths.
- Additional mounting bars can be purchased to expand your mounting options:
37"H upper frame can accommodate up to 2 additional bars (6 total including top bar)
25"H upper frame can accommodate up to 1 additional bar (4 total including top bar)
- The horizontal design allows users to easily relocate and slide accessories along the mounting bar, giving you the flexibility to customize your workstation to perfectly fit your needs.
- The upper frames are crafted from 14-gauge powder-coated steel, this construction ensures exceptional strength and durability.
- Mounting bars are crafted from durable 16-gauge powder-coated steel.

Modix Upper Shelf Features

Upper shelves offer versatile storage solutions and are specifically designed to attach to the horizontal mounting bars of the upper frame structure. Depending on the shelf size, they can easily slide along the mounting bar or occupy the full length of the bar for maximum utilization.

- Available in durable high-pressure laminate (HPL) for added resilience.
