Modix Collection

Introducing Modix, the innovative solution designed to revolutionize traditional panel and desking systems. Modix seamlessly bridges the gap between technical workstations and front office environments, offering a versatile platform that evolves to meet a variety of needs.

Manufactured in our Milford, Iowa, facility, the Modix Collection is proudly made in the USA. Featuring durable laminate tops and sturdy steel bases, we construct each item with care and precision. Designed with quality and safety at the forefront, Modix meets all BIFMA standards.
